OCR IRISH TABLE

Product number: no-107

Dimensions: W175 x D34 x H180 cm

Material: Steel

Corrosion class: C4 - Rust and corrosion-proofed, powder coated

Colour: Choose from 180 UV-stable RAL colours

Description:

OCR Irish Table is 1.80 metres high and consists of 2 vertical steel tubes with a diameter of 11.4 cm. A plate of electropolished stainless steel is mounted on the two vertical tubes. A $\varnothing 40$ mm tube is drawn around the stainless steel plate to avoid sharp edges. A step plate is attached to one leg to make it easier for the user to overcome the obstacle. To ensure a long lifespan and an environmentally friendly surface treatment, the two vertical poles are e-painted and subsequently powder coated. The stainless steel parts are electrically polished.
