Product no.: no-023/024/025

SPIRER PLATEAU

Product number: no-023/no-024/no-025

Dimension in cm: Ø75/Ø100/Ø150 cm x 45 cm

Material: Steel and EPDM rubber

Corrosion class: C4 – Rust and corrosion-proofed, powder coated

Plateau: Diameter Ø75/Ø100/Ø150 cm with a sitting height of 45 cm

Colour: Choose from 180 UV-stable RAL and 24 EPDM colours

Description:

The platform design ensures minimum maintenance by having no moving parts or bolted joints, screws or similar. The seating surface consists of a 0,4 cm thick perforated plate with a toplayer of dyed EPDM rubber, allowing water to pass easily through.
